BURKUT

Built in 2009 by renowned Italian shipyard Baglietto and refitted in 2012, 54m BURKUT is entirely designed by award-winning Francesco Paszkowski. The main feature of the design is elegance - a dark blue hull, sleek exterior lines and an open-plan interior styled with furniture and fabrics from Fendi.

Her versatile stateroom arrangement accommodates 10 guests across five luxurious and spacious cabins, including a full-beam master suite on the main deck, complete with office and his and hers walk-in wardrobes.

The upper deck of BURKUT is complete with jacuzzi, enclosed wellness area with sauna, steam room, massage area and beauty treatment room with a well-equipped gym. A glass elevator connects the lower and upper decks, providing stunning panoramic views.

This vessel features a state-of-the-art stabilization system that helps minimize roll motion and ensures a more enjoyable cruising experience.

BURKUT is equipped with a wide variety of water toys, allowing you and your guests to turn the Mediterranean into your own private playground: tenders, jet skis, Seabobs, wakeboards, paddle boards, inflatables, dive equipment, etc.
