DYNAMIQ GTT 165

DYNAMIQ GTT 165 is an innovative futuristic-looking superyacht with striking exterior designed by Dobroserdov Design.

The GTT 165 exclusive hull features a round-bilge shape for uncommonly low resistance and low fuel consumption while still being capable of high speeds. Moreover, the hull and superstructure are made of light aluminium. Her sophisticated modern interior is made of the highest quality materials.

The yacht comfortably accommodates 12 guests in 6 luxurious staterooms. A full-beam owner's stateroom is located on the main deck and has a study, a large bathroom with a spa tub and two fixed balconies.

Various leisure and entertaining facilities are provided onboard DYNAMIQ GTT 165.

Highlights

- Exclusive furniture collection
- Upper saloon fireplace
- High-end audio by Bowers & Wilkins
- Owner's stateroom with two fixed balconies
- Beach club with sauna
- XIR glass
- Spacious gym on the sundeck

- Full aluminium construction
