## LUMINOSITY

The incredible LUMINOSITY 107.6 m yacht sets a new luxury standard with her innovative technology, design and concept. Brand new, she is available for delivery immediately.

Her larger-than-life layout accommodates 27 guests in 12 comfortable spacious cabins on 6 decks, including the owner's deck with massive terraces on sides, and an elevator.

Featuring innovative technologies in every facility, the yacht has her own private superb health club, with a refined steam room, giving an impression of a sea level spa.

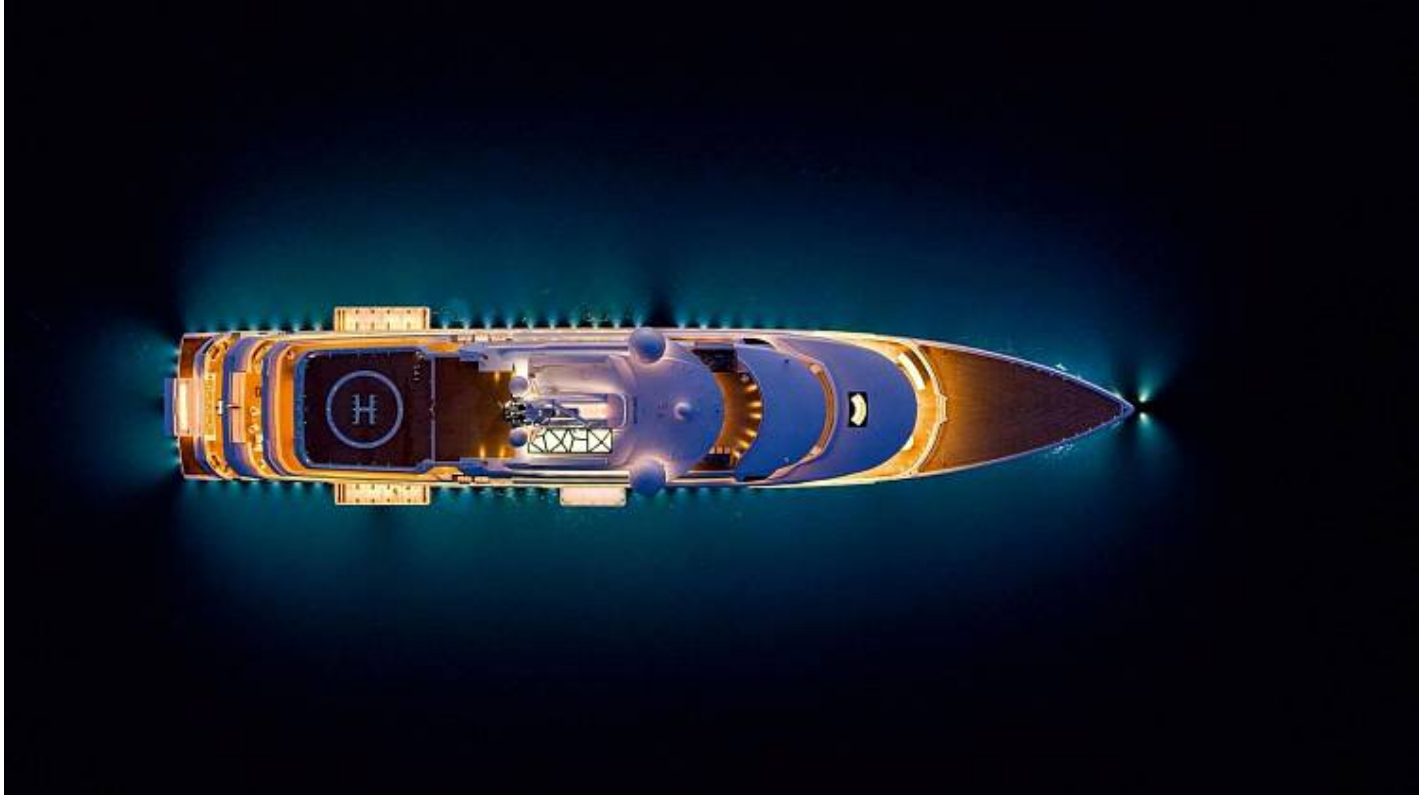

LUMINOSITY also boasts a fully equipped gym, a 30sqm swimming pool, large dancefloor, and comfortable lounge areas all over the yacht.

At 10 knots she has a range of 8,000nm and can reach a maximum speed of 16 knots. Smart waste management, water collection and recovery systems ensure yacht operations are eco-friendly and cost effective.

Immerse yourself in the future of advanced technologies along with traditions.
