Abeking & Rasmussen

ROMEA

81.80m ROMEA was built by Abeking & Rasmussen in 2015 and refitted in 2021. The interior and exterior design is the work of internationally renowned designer Terence Disdale. There are 6 cabins on board that can accommodate 12 guests.

The swimming platform is connected to the stern of the main deck. Guests can relax on the luxurious stern sofa outdoors or go to the spa center at the beach club after playing with water toys. Above, there is a spacious outdoor dining table on the upper deck, where you can dine in the shaded area. The bridge deck is equipped with sun pads and a spacious outdoor lounge, which can be used as an additional sunbathing area and a comfortable night movie theater for watching movies under the stars. The sundeck is complete with the sun pads placed around the jacuzzi.

ROMEA yacht can accommodate up to 12 guests, with a total of 6 staterooms, including 1 master suite, 1 VIP stateroom, 2 double cabins, 2 twin cabins, and 2 pullman berths.

Romea is equipped with a wide variety of water toys, allowing you and your guests to turn the Mediterranean into your own private playground: tenders, wave runners, Seabobs, Windsurfers, paddle boards, dive equipment, etc.
