SAFIRA

43m SAFIRA was designed by Swiss studio of architects Nuno Santos Pereira. She features a minimalist homey design with large living areas. The interior uses light-toned fabrics and soft wood tones to create a relaxed and warm atmosphere. The charter yacht SAFIRA is ideal for large groups of people.

Accommodation is offered for up to 20 guests in 10 cabins: 8 double, 2 twin. A comfortable lounge area can be found on the main deck aft. Moving further to the salon, guests will find a spacious dining area with a couple of sofas beside.

The sundeck is fitted with Jacuzzi and plenty of sunbathing areas. Onboard services include massage, yoga and diving.

SAFIRA is equipped with a wide variety of water toys, allowing you and your guests to turn the ocean into your own private playground: tenders, jet skis, Seabobs, wakeboards, paddle boards, inflatables, dive equipment, water ski, etc.
