Price: € 11 450 000

Admiral Yachts

SAGE

SAGE was built at the ADMIRAL shipyard in 2017. Perfect condition. Sole owner since delivery and private use only. The yacht is well equipped: stabilizers and other expensive equipment. European VAT paid.

The hull and superstructure are made of aluminum. The master stateroom on the main deck is full beam. On the lower deck there are 4 guest cabins for 10 people, as well as a VIP cabin amidships.

The open-plan salon and dining area are filled with natural light thanks to panoramic windows. On the sundeck, guests can enjoy stunning views, sunbathe on the sun loungers and relax in the lounge areas, which can be shaded with an awning if needed.

SAGE is powered by 2 x CAT C32 1900 HP engines and has only 1150 engine hours. The cruising speed is 12 knots and the maximum speed reaches 19 knots.
