SEAREX

SEAREX is a 38 m superyacht launched in 2018. She features 8 cabins for 16 guests and is fitted with various recreation areas and entertainment systems.

Guests will find a large foredeck area complete with comfortable sunpads and a spacious sundeck equipped with jacuzzi, plenty of sunbathing/lounge areas and bar.

The well-appointed aft deck offers comfortable dining for up to 20 guests and provides two stairways leading down to the extra-large teak covered swim platform for easy access to the water which is perfect for those looking to enjoy water activities in the Maldives.

SEAREX is one of the most eco-friendly yachts in the Maldives. She has been built with cutting-edge technology that will cut down emissions by a massive 98% while reducing fuel consumption. She also uses a special sewage treatment system that will produce treated water to be sent overboard.
