Tecnomar

TECNOMAR FOR L63

Lamborghini and The Italian Sea Group present the worldwide premiere of 'Tecnomar for Lamborghini 63', the Tecnomar fleet's new motor yacht available in a limited edition in reference to Lamborghini's 1963 foundation.

Tecnomar for Lamborghini 63 was built entirely of carbon fiber and weighs 24 tons - super light for its size. Design of this model is exceptional - the shapes, materials, and even the instrumentation faithfully reproduce the components used in the construction of Lamborghini vehicles. Moreover, the interior and exterior colors can be customizable. They created a yacht configurator (that works as the car configurator) so you can start playing with colors, options and interiors.

Tecnomar for Lamborghini 63 is available in three configurations:

- The Lounge version with a large open-plan salon featuring a galley and guest bathroom, sofas and storage cupboards. The Lounge layout includes a separate bathroom for the owner, providing more privacy.
- The single cabin version includes a spacious forward master stateroom with king size bed and en-suite bathroom.

- The twin cabin version includes in addition to the master cabin with a king size bed, a guest cabin with a bed that can be converted into two twin beds.

The outdoor deck spaces are sure to impress guests with its lounge & sunbathings areas. The stylish helm station features state-of-art electronics and two branded Lamborghini seats.

Tecnomar for Lamborghini 63 is powered by twin MAN V12-2000 engines demonstrating an impressive speed of 60 knots.
